1. During August and early September 1954, more and more MIG jet aircraft were observed in the sky over Lodz. Single flights were mainly to be seen, but an occasional group formation was also in evidence. A group of 11 planes was the largest single formation seen over the city during this period.
2. Early in September 1954, a convoy of Soviet Army gasoline trucks passed through Lodz, coming from the north and proceeding in a southerly direction. Each truck carried a crew of two.
